## By US Small Business Administration

Washington, DC—Health and government officials are working together to maintain the safety, security, and health of the American people. Small businesses are encouraged to do their part to keep their employees, customers, and themselves healthy.

**Economic Injury Disaster Loans**  
The SBA will work directly with state governors to provide targeted, low-interest loans to small businesses and non-profits that have been severely impacted by the coronavirus (COVID-19). The SBA's Economic Injury Disaster Loan program provides small businesses with working capital loans of up to \$2 million that can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing. Find information at [www.sba.gov/disaster](http://www.sba.gov/disaster).
