We are requesting subcontractor and supplier quotes/bids specifically from DBE's including but not limited to MBE/WBE's for the:

Non-Potable Water Storage Facility
CIP Project No. 59-59198
In Brentwood, CA

Project Scope

Work includes the construction of a 3 MG non-potable water reservoir and related appurtenant structures, pump station and control building, tank facility improvement, existing utility pump station modification, sheeting, shoring and bracing, electrical, lighting, PLC, SCADA, pumps, SWPPP and erosion control, demolition, piping, dewatering and cathodic protection.

Items to be supplied and possibly subcontracted include but may not be limited to the following:

Selective Site Demolition	Concrete Reinforcing	Cast-in Place Concrete
Masonry	Steel Roof Decking	Structural Steel
Miscellaneous Metal Fabrications	Electrical	Cathodic Protection
Instrumentation & Controls	Earthwork	Dewatering
Shoring	Asphalt Paving	Piping & valves
Line Shaft Vertical Turbine Pumps	Submersible Mixer	

Let us know if you need work items separated into smaller tasks or quantities to allow your participation. We will accommodate requests whenever possible and when economically feasible.

Plans may be viewed at our office or your local Builders Exchange. Plans are also available directly from the Owner on City of Brentwood's website:

https://www.brentwoodca.gov/gov/pw/cip/pw_projects_out_to_bid.asp

100% Payment and Performance Bonds are required. Insurance will be required. Please contact us with any questions. We will provide assistance with bond and insurance requirements.

We are an Equal Opportunity Contractor.

Please respond by phone or fax if you are interested in bidding on this project. Please call if we can provide help or assistance in obtaining financing, bonding and insurance.
